**About**

Hi, my name is Mitchell Clement. I have recently completed my Bachelor of Fine Arts majoring in Graphic Design from Whitecliffe College. Based in Auckland for the last 3 years whilst undertaking study and work I have recently returned to Hamilton where I grew up while I take my next steps post study. I have strong interpersonal skills proven through my work as a Sales Consultant for Noel Leeming and other brands at showground events. I hold myself to a high standard and would consider myself diligent, hard working and organised. Outside of Graphic Design, I have interests in Photography and Film.
